3

screens

The image displays two mobile app screens. The top screen is a login interface with a light blue background. It features a circular profile icon placeholder at the top, followed by two white input fields labeled 'Correo' and 'contraseña'. Below these is a dark blue 'Sign in' button. A horizontal line separates this from the bottom screen. The bottom screen is a sign-up interface with the same light blue background. It contains five white input fields labeled 'Correo', 'Contraseña', 'Confirma contraseña', 'Nombre', and 'Apellido'. At the bottom, there is a toggle switch for user roles, currently set to 'Administrador' (with a white circle) and 'Cliente' (with a grey circle). Below the toggle is a dark blue 'Sign Up' button.
